About Alberta Soccer

The Alberta Soccer Association began in 1909 as the Alberta Association Football League, changing to the Alberta Soccer Association in 1915. Founders created the Association to coordinate soccer games and playoffs between the provincial districts. Since its creation, the Alberta Soccer Association has grown to be the province's largest individual sports association - reaching over 90,000 members. These individuals make up 19 Member Districts and 3 Associate Members across Alberta.

With the goal of serving these Member Districts, Alberta Soccer:

- Promotes participation in, and enhances development of, soccer in Alberta
- Promotes and supports all levels of soccer competition in Alberta including provincial and national selections
- Governs the sport of soccer in Alberta and produces supporting documentation such as policies and by-laws
- Encourages and fosters personal development and training of all players, coaches and referees in the province
- Coordinates provincial festivals, tournaments and cup competitions on an annual basis
- Promotes respect and equality in the game and is inclusive to all members of society
- Provides the necessary means to resolve any internal dispute that may arise between Members, clubs, officials and players of the Alberta Soccer Association.
- Offers health insurance for soccer related incidents to all members.

The Alberta Soccer Association has a \$4,000,000 annual budget with nearly 50% of the annual revenue coming from registration fees paid by each player in the province.
