

Promotional Criteria and Checklists for Referees (Regional to Provincial)

- A career planning tool for Referees in Alberta

This document is designed to outline the pathway to promotion as a referee in Alberta. The process is largely self-directed. In other words, the referee has to take charge of his/her development, and seek opportunities to achieve his/her developmental goals. The criteria and checklists below are tools for referees to use in their development plans.

REGIONAL to PROVINCIAL Referee

To be eligible to upgrade from Regional to Provincial referee, you must:

- Be a Regional referee in the season that you apply for upgrading.
- Have refereed games at the competitive U15 level or above. 'Competitive' is any Tier that leads to provincials (T1-T4).
- Have successfully passed the fitness test at the Regional level or higher, in the season prior to applying.
- Submit an application form to the Alberta Soccer Association, prior to the annual deadline. (Provincial Upgrade application deadline - March 1st – 6:00PM)

Please note – this is a competitive process, and not all applicants may be selected by the RDC.

To be successfully upgraded to Provincial referee, you must:

- Attend a Provincial Training Course. (additional details below)
- Pass a multiple choice Laws of the Game examination, with a mark of 80% or better.
- Pass the FIFA Hi Intensity Fitness test, at the male or female provincial standard. (details below)
- Referee in a minimum of 20 qualifying games (competitive U15 and above). You will be asked to submit a log of your games to the Alberta Soccer Association, prior to October 31st.
- Work as an assistant referee in a minimum of 5 qualifying games (competitive U15 and above). You will be asked to submit a log of your games to the Alberta Soccer Association, prior to October 31st.
- Achieve a minimum of 3 assessments with an above average mark, as a referee over the 20 qualifying games. Assessments are reviewed by the Referee Development Committee at the conclusion of the outdoor season.
