# MESSAGE FROM THE BOARD

This was a year filled with change – change in leadership, change in staff, and changes to a more thoughtful and steady form of governance at all levels of soccer.

This Association is moving towards the next decade with fresh faces, fresh ideas and fresh approaches to growing and sustaining the Game in Alberta.

Alberta Soccer is well-respected for its success in all areas – matches, officiating, growing the youth club interest, and for our overall steadfastness in implementing sound programs for all players, coaches and officials. Our views are sought, our opinions matter, and our credibility with the national organization grows.

We may not have had a lot of success at the National Championships this year, but the feedback was that Alberta teams acquitted themselves well. Importantly, each of the teams deserve a “well done” for the sportsmanship and respect for the Game they displayed – a truly great compliment to the players, coaches AND parents who participated in the Championships.

News coverage highlighted the fact that Alberta has produced great youngsters - stars of the future - who deserve all the accolades coming their way. It's a testament to the developmental work being done in the province, from Free Footie to the REX program. Alberta would not be able to support these bright players without the community and club programs, which provide the development cycles these players need to grow and succeed.

We should not ignore the fact that Alberta officials are doing the same on the whistle side. We deliver. Sheena Dickson, Dave Gantar, Drew Fischer, and Mike Barwegen have all done their bit to make us proud and we must continue

the tradition of developing world-class officials through our referee development programs. The opportunity awaits for those dedicated young officials to grow and experience the world stage just as their player counterparts from Alberta are doing.

With the launch of the CPL and Alberta fielding two teams - Cavalry FC and FC Edmonton - our youth players now have an achievable goal to aim for. The club ties to our youth system will have benefits all around in growing the Game to new levels. The launch of the Canada Soccer Youth Club system saw an impressive number of applicants from Alberta, something that even Canada Soccer took notice of. It will be interesting to see how many Alberta clubs are successful in their applications. Good luck to all who have applied!

In terms of the administrative staff, there are fresh faces in the office: welcome to Geraldine Ratcliffe (Office Administrator), Claire Paterson (Coach Education Programs Assistant), and Sue Herring (Grassroots Programs Assistant). There are new faces on the Board as well, and the year has brought fresh views on governance and operations. We are embarking on a new strategic planning cycle, one which will make sure that Alberta Soccer focuses on long-term success. Your Board is committed to effective, efficient and fiscally-sound operation. We will look at all areas to ensure we continue down a sustainable track for the future of the Association.

Thank you all for your continued support over the past year. As a Board, we commit to listen, learn and implement for the Good of the Game!

Shaun Hammond  
President  
Alberta Soccer

# STRATEGIC PLAN

With many changes occurring in the Association between November 2017 and October 2018, Alberta Soccer remained focused on the six priorities of its Strategic Plan:

1. **Governance and Leadership**
2. **Financial Stability**
3. **Business Dev't and Communications**
4. **Technical Leadership**
5. **Referee Development**
6. **Competitions**

In 2018, Alberta Soccer laid the groundwork for the **Tier I 7 v 7 Provincial Championships**. The inaugural competition will come to fruition in March 2019 thanks to the collaborative effort between EIYSA, CMSA, EMSA, and Alberta Soccer. The Edmonton Soccer Dome's timely opening also played a large part in the feasibility of the 7 v 7 competition.

To assist with the long-term vision of the Association, **stronger engagement of the Nominations Committee** was encouraged in 2017-18, resulting in a large number of highly qualified Board of Directors candidates putting their names forward prior to the 2018 Annual General Meeting.

As Alberta Soccer continued toward its goal of making all aspects of the game more accessible, the Association:

- held the second annual **U13 Rural ID event** for rural Alberta players
- began testing **online coaching course** platforms
- launched the **online referee refresher course**
- developed the **Create Your Advantage Referee Program** for female officials

## Looking ahead

Entering the final year of the current Strategic Plan, Alberta Soccer will complete the implementation of the Central Registration System, enabling the Association to more effectively communicate with the Alberta Soccer membership.

Edmonton Minor Soccer will welcome the U15 Canada Soccer National Championships in 2019, marking the third National competition hosted in Alberta over the past three years.

On the financial side, Alberta Soccer will complete the modernization of its fee structure, allowing for increased transparency and fairness.

## VISION

A centre of Excellence for the game, providing opportunities for all players to reach their full potential

## MISSION

To provide leadership for soccer excellence in Alberta by fostering and promoting:

1. a strong infrastructure for sound governance (administration and communication), and
2. quality programs & services (competitions, referees, coaching, player development, and volunteers) to safeguard the sport's long-term prosperity

# COACH

In 2018, Alberta Soccer continued to refine the coach recruitment and retention process in order to increase the number of coaches at the community and competitive level who are dedicated to seeing high standards of play across the province.

## Licensing

As part of its strategic plan to ensure coach education is accessible, Alberta Soccer remained committed to offering regional delivery of the C-Licence course. Courses were held in Northwest Peace (Grande Prairie), Calgary, St. Albert, Lethbridge, Edmonton, and CASA (Camrose).

**170** coaches earned their C-Licence Trained Status (a 50% increase over the previous year)

The B-Licence Part 1 was offered in Calgary and Edmonton, with 29 coaches successfully completing the course. An additional 12 coaches completed the B Licence Part 2 Training to earn Trained Status.

## Community Stream

Between November 2017 and October 2018, **81 community courses** took place, with **1,186 coaches** earning certification in the community stream (see breakdown below). The 14% decrease in the number of community courses offered as compared to 2016-17 is largely due to the work involved with the increased delivery of the Making Ethical Decisions (MED) and regional licensing courses across Alberta.

## Women in Sport Leadership

With support from the Coaching Association of Canada and Alberta Sport Connection, the Women in Sport Leadership Coach Developer Initiative welcomed 10 female coaches to the Alberta Soccer program. The program supports women in leadership roles who wish to further develop themselves as learning facilitators, coach evaluators, and mentors. As part of their first year in the program, the 10 participants were engaged in Learning Facilitator and Coach Evaluator training and co-delivery.

## SPOTLIGHT

Jim Loughlin, Alberta Soccer Director of Coach Education & Player Development, was recognized by the Coaching Association of Canada once again - receiving the 2018 Community NCCP Coach Developer Award in October.

# REFEREE

Alberta Soccer's referee program experienced modest growth between November 2017 and October 2018, with a 2% increase in the number of referees throughout the province.

## 3,464 Referees in Alberta

### Alberta Referee by the numbers:

### Certification and Continued Education

A combined total of 4,102 participants attended 211 courses leading up to both the 2018 Indoor and Outdoor seasons. This resulted in 1,488 newly certified officials, 18 officials upgraded from District to Regional, 5 officials upgraded from Regional to Provincial, and 10 officials earning their course instructor certification.

### Create Your Advantage

Four Create Your Advantage Referee Development sessions were held in April and October, welcoming 70 participants in the full-day, all-female program. This program aims to address the discrepancy in the number of male vs female officials:

### Achievements

3

#### Officials

re-appointed to the International List of Referees: Dave Gantar, Sheena Dickson, Drew Fischer

1

#### Official

re-appointed to the International List of Assistant Referees: Micheal Barwegen

These four individuals worked in a variety of roles, including:

- MLS matches
- Canadian Championship Finals
- International matches
- USport Championships
- CONCACAF Championships

Additionally, Michael Mund and Harsimrit Lakhyan were appointed to CCAA Championship games. Michael Mund was also assigned to Canada Soccer National Championship games along with Kurtis Nozack, and Manoel Pequeno was selected for the Canada Soccer 'NextGen' development program.

## SPOTLIGHT

Dave Gantar received the Canada Soccer Ray Morgan Award in 2018. This award is presented to the referee who has shown the greatest progress at both National and International levels.

# GRASSROOTS

Again in 2018, Alberta Soccer's Grassroots Department traveled the province - working with communities to develop all levels of athletes according to the Long Term Player Development (LTPD) and Preferred Training Model (PTM). Clubs and communities throughout Alberta demonstrated a greater understanding of these models through the implementation of the PTM's station-rotation approach in their programming.

## District Outreach

In 2018, Alberta Soccer conducted 112 District Outreach visits across the province, reaching 84% of the districts in Alberta and working with:

**2,721**  
Players

**1,297**  
Parents

**940**  
Coaches

## Mini Stars

Participants of the standards-based training program enjoyed another year in the fun, yet challenging, player-focused atmosphere that the Program is known for. The environment evolved in 2018, noting two primary changes:

1. Male and female players trained together.
2. Goalkeeping activities were integrated within regular training to support physical literacy and a greater understanding of the game for all.

The highly anticipated Residential Camp and Player Showcase welcomed a combined 218 players from the 2017 Mini Stars season. The Fall

Program expanded to include Red Deer, with 142 participants and Winter Training welcomed 338 players in Medicine Hat, Lakeland, Cochrane, Camrose, Grande Prairie, Edmonton, Calgary, and Red Deer.

## FUNDamentals Festivals

With Servus Credit Union's support, Alberta Soccer funded 13 FUNDamentals Festivals in 2018. The festivals engaged parents, administrators, and technical staff in the key benefits of LTPD and PTM: player enjoyment and development.

**13**  
Communities

**120**  
Coaches

**700+**  
Players

## Multi-sport Summer Camps (Play Sports Alberta)

For the second year, Alberta Soccer worked with Volleyball Alberta and Basketball Alberta to offer multi-sport summer camps in Edmonton. The camps introduced 6-12 year old participants to a variety of sports, with bonus gymnastics and athletics sessions featured in 2018.

## SPOTLIGHT

Alberta Soccer Manager of Grassroots Development, John Clubb, traveled to High Level in May 2018, to support the Dene Tha' (DTFN) Recreation and Cultural Society's vision of implementing a youth soccer program in the Dene Tha' First Nations community. Clubb worked with DTFN and Ever Active Schools to tackle the first step of their vision by training and educating coaches who will ultimately lead the youth program.

## EXCELLENCE

Alberta Soccer focused on its continued alignment with the Canada Soccer Player Pathway by creating opportunities for Alberta athletes at the National, Collegiate, and Professional levels.

Highlights of 2018 include multiple appearances of Alberta players on the national and international stage, including Alphonso Davies' landmark signing with Bayern Munich in the Bundesliga.

### Identification Events

Alberta Soccer held its 2nd annual Regional ID camp, welcoming 180 players from 10 districts across the province: Central Alberta (host), Big Country, Foothills, Medicine Hat, Northwest Peace, Red Deer City, Battle River, Fort McMurray Youth, and Lethbridge Soccer Associations.

In addition to the Regional ID camp, Alberta Soccer hosted its U13 Open Trials in Edmonton and Calgary, with 350 players taking part in these events.

**211** players were invited to participate in the North & South Winter Training Program

### Winter Training Program

The Winter Training Program placed players in a best-with-best environment, allowing those with similar mindsets and skill levels to develop over the 10-week session.

Of the initial 211 players in the program, 144 were selected to join the Provincial Training Program and travel to the Whitecaps High Potential Prospects Combine. The Combine offered a platform for players to showcase their abilities to the Whitecaps staff. At the featured Games of Distinction, Alberta players boasted the highest representation on the squads, with 10 male and 10 female players selected.

**17** Alberta Players participating in National Team programming

### REX & Academy Centres

The 2017-18 season emphasized the strength of the REX and Academy programs in developing players along the Canada Soccer Player Pathway. Several players progressed to the REX Super Centre and Whitecaps Residency in BC, including: Joshue' Ndakala, Eric Kim, Chike Ogbuke, Junior Agyekum, Paul Amedume, Brian Ananias, and Owen Antoniuk (invited to the Whitecaps Residency Program), and Hannah Duguid and Mya Jones (invited to the REX Elite Super Centre). These players join several other Alberta players who are already involved in the Residency and REX Programs.

### Exposure

In addition to their exposure to the FC Edmonton and Whitecaps FC professional club environments and staff, the REX and Academy players were scouted by several post-secondary institutions, including the University of British Columbia, University of Alberta, University of Calgary, University of Manitoba, University of Victoria, Mount Royal University, Simon Fraser University, and others. This exposure led to the vast majority of program graduates receiving USport and NCAA scholarships.

## SPOTLIGHT

Andersen Williams, formerly with Calgary SWU and currently with Whitecaps REX Elite, competed in the U17 World Cup CONCACAF qualifiers and the U17 Women's World Cup in Uruguay - scoring goals in both competitions.

# SERVUS YOUTH PROVINCIAL CHAMPIONSHIPS

In 2018, Alberta Soccer held 24 Indoor and 36 Outdoor Provincial Championship Competitions. These competitions, made possible thanks to the support of the hosts and sponsors, provide a platform for thousands of players and coaches to compete against similarly-skilled teams from around the province.

## Hosts

Alberta Soccer is grateful to the hosting communities: Calgary Minor, Edmonton Minor, Lethbridge, Medicine Hat, Okotoks (Foothills), Grande Prairie (Northwest Peace), Carstairs (Big Country), St. Paul (Lakeland), and Camrose (CASA) Soccer Associations.

## Age Groups

2018 marked the first year Alberta Soccer Provincials reflected the odd birth years in all age categories. The U15, U17, U19 age groups were adopted to remain consistent with the Canada Soccer National Championships.

## SPOTLIGHT

### Arctic Winter Games

In March, Alberta sent a male and female Juvenile Futsal team to the 2018 Arctic Winter Games in Northwest Territories South Slave Region. The female team earned a silver medal after falling to Greenland in the final. The male team captured bronze after defeating the home team, Northwest Territories.

### Alberta Summer Games

In July, over 3,000 athletes from across the Province met in a rainy Grande Prairie to compete at the 2018 Alberta Summer Games. On the girl's soccer side, Zone 5 (Black Gold/Yellowhead) earned the Championship, and for the boys, Zone 3 (Calgary) took home the title for the third year running.

Alberta Soccer is pleased to note that each of the zone's soccer teams were led by coaches with a C-Licence or higher level of certification.

# SENIOR PROVINCIAL CHAMPIONSHIPS

## Indoor

Adult teams from across Alberta participated across 14 competitions in Alberta Soccer's Senior Indoor Provincial Championships in Edmonton and Calgary.

Calgary United Soccer, Calgary Women's Soccer and Edmonton District Soccer hosted the competitions at both the Calgary Soccer Centre and Edmonton South Soccer Centre. Teams who demonstrated fair play and sportsmanship received the fair play award, provided by The Pint.

## Outdoor

Alberta Soccer welcomed 66 teams to 14 competitions at the Outdoor Senior Provincial Championships in Edmonton and Calgary.

Teams participating in the Major and Masters/Classics Major Competitions vied for both the Provincial Title and the right to play in Canada Soccer's National Championships.

Edmonton Victoria Women and Edmonton Scottish Men won their competitions and traveled to Saskatoon to compete in the Challenge and Jubilee Championships at the Canada Soccer National Championships. Phoenix Men and Green & Gold

Women topped their groups and earned a spot at the Western Men's Masters and Masters Women's Regional Championships in Richmond.

## Streaming

The Challenge Cup and Jubilee Shield gold medal matches were live streamed on [albertasoccer.com](http://albertasoccer.com) and [competitions.albertasoccer.com](http://competitions.albertasoccer.com), receiving a combined 827 page views.

## National Championship Results

Challenge Trophy | **Edmonton Scottish** | 5th  
Jubilee Trophy | **Edmonton Victoria** | 5th  
Masters Major | **Phoenix Masters** | **GOLD**  
Classics Major | **Green & Gold** | 4th

Additionally, for the first time, an Alberta team competed in the Canadian Futsal Championships. Calgary United Soccer Association team, Progressive FC, took 10 players to the competition, earning a 5th place finish.

# AMSL

The 27th season of the Alberta Major Soccer League showcased the high-quality soccer that the province's top amateur league is known for. In 2018, the league experienced a unique situation caused by the devastating BC forest fires. The league's 16 participating teams felt the impact of poor air quality for much of the season, which ultimately resulted in the last two games in the Women's Division going unplayed.

## Challenges

After qualifying as the 1st place finisher in EDSA Premier, St. Albert Impact 1 Men successfully challenged Edmonton Victoria for a spot in the AMSL and will enter the league in 2019. In the South, Calgary Foothills FC Premier unsuccessfully challenged Lethbridge FC, who will maintain their spot in the league in 2019.

## Provincials

On the women's side, Edmonton Victoria finished first at Senior Soccer Fest, while the Men's division saw Edmonton Scottish at the top of the Provincial podium.

## Nationals

The Canada Soccer National Championships took place in Saskatchewan, with seven-time Jubilee Champions, Edmonton Victoria women finishing in 5th place. On the men's side, Edmonton Scottish represented the Province at the Challenge Trophy competition, following up a silver medal in 2015 and gold in 2016 with their 5th place finish in 2018.

## SPOTLIGHT

Since its creation 27 years ago, Bill Malone, an Alberta Soccer Life Member, has been a crucial part of the Alberta Major Soccer League. For nearly two decades, he has served as the AMSL Commissioner. In addition to his work with the AMSL, Bill also serves on the Alberta Soccer Competitions Committee.

# WOMEN IN SOCCER

## Inspire Generations: Play, Coach, Lead

Since its creation in 2012, the Development of Women in Soccer Committee has existed to promote, support, and increase the number of female soccer participants in leadership roles and as players, coaches, and referees.

The committee consists of eight skilled and passionate women from throughout Alberta. These women represent all facets of the game, on and off the field.

### Women in Soccer Conference

In 2018, Alberta Soccer hosted its 4th annual Women in Soccer Conference, with nearly 100 women taking part in the Leduc and Calgary events (from 24 communities in AB and 2 in BC). The conference featured keynote speaker, Andrea Neil (former Canada WNT player, Canada Hall of Fame inductee, USSF National B and UEFA A Licensed Coach), plus training on topics such as Intercultural Communication Skills, Female Initiated Referee Strategies and Techniques, NCCP Mentorship, and CAAWS Leading with Confidence/Women on Boards.

### Alberta Women in Sport Leadership Impact Project (with CAC and AB Sport Connection)

The Coach Developer Initiative, one of two programs launched in cooperation with the Coaching Association of Canada (CAC) and the Alberta Sport Connection, welcomed 10 female coaches from across the province. These women entered the program with the aim of advancing as Coach Developers and strengthening their skills as Learning Facilitators, Coach Evaluators and Mentors.

The second program introduced as part of the Project was Create Your Advantage: an all-female referee refresher course and developmental session, which enabled female officials to develop their skills in a supportive, meaningful environment. This program was offered in the North and South of the province during the Spring and Fall referee course seasons.

Both programs completed their first year in 2018 and look forward to continuing into their second year in 2019.

## SPOTLIGHT

The Woman of Distinction Award recognizes the valuable role women have in soccer, whether on the field, from the sidelines, or at the boardroom table. In 2018, Toks Bakinson received the award for her substantial, positive contributions to the female game in her community. Not just a coach, Toks is a mentor, teaching players on her team "leadership, team work, responsibility, honesty, patience, acceptance, motivation, sportsmanship, dedication" and of course, "how to play soccer".

In late 2017, FC Edmonton withdrew from the North American Soccer League, announcing shortly after that the team would relaunch as part of the inaugural season of the Canadian Premier League in April 2019. Throughout 2018, the club remained committed to developing the young players in the FC Edmonton Academy and REX Programs - ensuring "local youth who possess drive and determination [could] receive elite level training."

# FINANCIALS

In completion of the third year of Alberta Soccer's 2016-19 Strategic Plan, the Association's financial position remains strong, despite experiencing a deficit for a second consecutive year. After identifying the impact that reduced member revenues year-over-year had on its ability to deliver a balanced budget, Alberta Soccer engaged the District Members in conversations around member-values and the future of membership fees in the province. Early identification of a likely deficit provided the opportunity to delve into historical planning, ask hard questions, and ensure current spending was focused on optimizing on-field programs and services. Alberta Soccer is committed to both fiscal responsibility and performance improvement. Therefore, as the Association works through the Budgeting and Strategic Plan process, it will continue to explore meaningful financial solutions that enable the sustainable growth and stability required to support its members.

## Financial Stability & Performance

- Asset Base continues to sit above **\$2 million**
- Ability to meet short-term obligations remains strong with a Current Ratio of 4.4:1
- Ability to meet operating demands with Operating Reserves of 39%; equivalent to approximately 4.5 months of operational expenses

## Audit Findings

KPMG returned an unqualified audit opinion; a judgement that Alberta Soccer's financial records and statements are fairly and appropriately presented in accordance with Generally Accepted Accounting Practices.

## Expense Allocations

Overall, Program Expenses were 3% less than forecasted and 3% less than 2016-17 Actuals.

## Revenue Allocations

Overall, Program Revenues were 3% less than forecasted and 4% less than 2016-17 Actuals.

Revenue (-3%) and Expense (-3%) performance resulted in Alberta Soccer coming very close to meeting budgeted revenue-to-expense projections; in fact, overall program performance was 2% better.

## Membership Engagement & Revenues

Membership Fees & Registrations experienced the greatest change in value, with an increase in unique member registrations but a decrease in member revenues due to member fee changes for 2017-18.

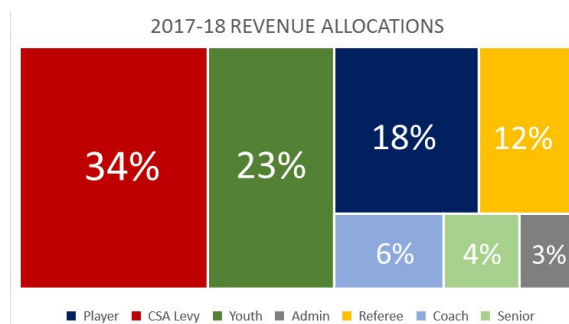

Overall, Net Member Revenues were 12% less than forecasted and 4% less than 2016-17 Actuals.

## On-Field Products, Development, Support

In addition to regular programming, resources were committed to support the continued success and/or establishment of initiatives such as the Regional C License, Women in Sport Leadership, U13 Rural ID, Multi Sport Camps (LTAD), Senior Fustal Nationals, and Grassroots Symposiums.

70% of Membership Fees were allocated to programming that supports on-field activities and services. The 30% for Administration was split between Governance, Office, and Human Resources.

## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of Alberta Soccer Association

We have audited the accompanying financial statements of Alberta Soccer Association, which comprise the statement of financial position as at October 31, 2018, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Page 2

*Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of Alberta Soccer Association as at October 31, 2018, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## Notes to Financial Statements

Year ended October 31, 2018

### **Nature of operations:**

Alberta Soccer Association (the "Association") provides the administrative and technical development framework for all soccer programs within the Province of Alberta. The Association, incorporated under the provisions of the Societies Act of Alberta, is a non-profit organization within the meaning of the Income Tax Act (Canada) and is exempt from income taxes.

### **1. Significant accounting policies:**

The Association prepares its financial statements in accordance with Canadian accounting standards for not-for-profit organizations which is Part III of the CPA Canada Handbook - Accounting. The Association's significant accounting policies are as follows:

#### **(a) Use of estimates:**

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

#### **(b) Cash:**

Cash consists of cash on hand and amounts on deposit in demand-type accounts less cheques issued and outstanding.

#### **(c) Inventories:**

Inventories distributed for no or nominal value or consumed in the delivery of services are stated at the lower of cost and net replacement cost. Inventories held for sale are stated at the lower of average weighted cost and net realizable value. The amount of inventories expensed is \$133,429 in the current year (2017 - \$159,763).

Notes to Financial Statements (continued)

## 1. Significant accounting policies (continued):

### (d) Property and equipment:

Property and equipment are stated at cost. Donated assets are recognized at fair value which is deemed cost. Amortization is provided using the declining balance method at the following annual rates:

Asset	Rate
Office equipment	20%
Technical equipment	20%
Computer equipment	30%
Leasehold improvements	Lease term

### (e) Revenue recognition:

The Association follows the deferral method of accounting for contributions. Restricted contributions received in the year that relate to future expenditures are recorded as deferred revenue. Unrestricted contributions are recognized as revenue when received. Contributions for the acquisition of property and equipment and donated property and equipment are recorded as unamortized capital contributions and recognized to income on the same basis as the amortization of the assets for which the contributions were received.

Fees are recognized as revenue in the year for which services are provided. Fees received in advance are recorded as deferred revenue. Revenue from the sale of inventory is recognized when the product is delivered and collection is reasonably assured. Excess revenue (expenditure) reported in the statement of changes in net assets for investment in property and equipment are the net amount of depreciation and revenue attributable to property and equipment and represent a transfer of unrestricted net assets.

Interest income is recorded on a time proportion basis. Interest income earned on restricted contributions that are similarly restricted by the contributor is recorded as deferred revenue until the eligible expenditures have been incurred at which time the interest is recognized as revenue.

## 1. Significant accounting policies (continued):

### (f) Contributed services and materials:

The work of the Association is dependent on the voluntary services of many members. The Association may receive certain materials for distribution to member organizations. Due to the difficulty of determining fair value of contributed services and materials they are not recognized in the financial statements.

### (g) Allocation of expenditures:

Expenditures which benefit more than one program of the Association are allocated among those programs based on time spent by employees.

### (h) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the effective interest rate method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

## 1. Significant accounting policies (continued):

### (i) Internally restricted net assets:

Transfers between unrestricted and internally restricted net assets are approved by the Board of Directors.

## 2. Term deposits:

The term deposits, measured at amortized cost, consist of a \$402,470 (2017 - \$419,881) term deposit bearing interest at 2.30% (2017 - 1.10%) maturing January 25, 2020 (2017 - January 2, 2018) and a term deposit of \$200,493 (2017 - \$413,970) maturing September 21, 2019 (2017 - November 6, 2017) bearing interest at 2.25% (2017 - 0.85%).

Included in administration revenue is interest income of \$11,219 (2017 - \$6,101).

## **10. Financial instrument risks and concentration of risk:**

### **(a) Credit risk:**

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Association is exposed to credit risk with respect to grants and accounts receivable and term deposits. The Association assesses these items on a continuous basis and provides for any amounts that are not collectible in the allowance for doubtful accounts. There has been no change to the risk exposure from 2017.

### **(b) Liquidity risk:**

Liquidity risk is the risk that the Association will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Association manages its liquidity risk by monitoring its operating requirements. The Association prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposures from 2017.
