

A ONE-DAY REFEREE PROGRAM  
CREATED FOR WOMEN, BY WOMEN:

# CREATE YOUR ADVANTAGE

Join other female officials from around the province at the 4th edition of Alberta Soccer's Create Your Advantage (CYA) Program. CYA is designed for the unique challenges and opportunities facing female officials. It enables attendees to fulfil the requirement of attending a refresher course prior to the start of the season, but that's not all. The second half of the day features a hands-on skill development session to help take new and experienced referees to the next level on the field.

YEG - SEPTEMBER 14 | YYC - SEPTEMBER 15

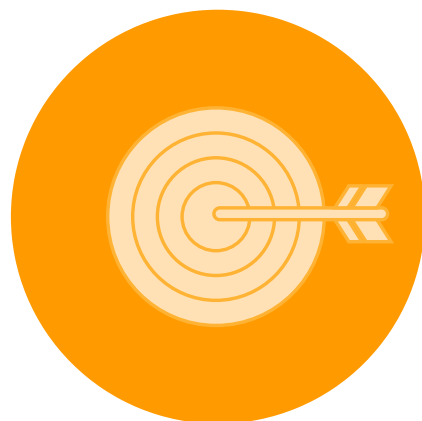

## REFRESHER COURSE, WITH A TWIST

While the content of this course isn't unique to women, the objective is to offer the material in an all-female environment, where women and girls may feel more empowered to ask questions and seek insight from the more experienced female leaders.

## DEVELOP AND HONE ON-FIELD SKILLS

In addition to the refresher course, CYA also offers a custom-created skill development session. Recognizing that there is much more involved in being a successful referee than simply 'knowing the rules', this session will provide insight into the various tools and techniques involved in 'managing' a game.

## LEARN IN A SUPPORTIVE ENVIRONMENT

"Alberta Soccer's CYA course is an excellent opportunity for female officials of all ages to collaborate and share stories/ideas, in an open, engaging and empowering environment," explained a leader from last season's session.

## IT'S FREE!

CYA is an initiative currently running under the Coaching Association of Canada's Alberta Women in Sport Leadership Impact Program. Alberta Soccer is pleased to offer the CYA Program to female officials at no cost.
