**W**ith another successful year under our belt, the Board understands that the Association will likely face new challenges in the coming year. To meet these challenges, Alberta Soccer will draw upon all of its resources to lead us to even greater levels of success in the future.

Alberta Soccer is a key player in the national scene, with players who reach great heights on the national and international stages, officials who deliver excellence at the National and FIFA level, and Districts with a desire and capacity to host exceptional national events.

In this vein, the Board recognises the efforts of the Edmonton Minor Soccer Association, who, last fall, hosted the National U-15 Championships. EMSA went above and beyond, putting on an event that set a new gold standard for National Championships. Congratulations to Mario Charpentier, Dragos Niculescu, EMSA staff, and the EMSA volunteers for their superb organisational work in putting this event together. The level of praise awarded by all who attended the competition speaks volumes to the great work EMSA's team put in.

The teams who represented Alberta at National Championships are also deserving of accolades. Alberta's teams acquitted themselves well and the players were recognised for their sportsmanship, fair play, and skill. Alberta Soccer will continue to encourage and support our Provincial Representatives at National Competitions.

The first Canadian Premier League season was a success and our praise goes out to Cavalry FC on a magnificent performance. The fact that Alberta boasts two CPL franchises, both of which are committed to developing Alberta's youth players, provides another arena for our young stars to showcase their abilities. As an association, we look forward to a long, prosperous relationship with the CPL and its teams.

Moving forward, we're cognisant of current external changes. We no longer know if grant funding will remain at previous levels. As the Provincial Government strives to balance its budget, signs point to pressure on the non-profit sector.

***We cannot sit idly by and wait for change.***

Instead, the Board conducted a detailed "outcomes-based budgeting" analysis after the 2019 AGM. We analysed all program expenses and surveyed Districts for input on the value, effectiveness, efficiency and relevancy of all Alberta Soccer programs. Thank you to those who responded, your insight will guide us as we move into the next phase of the analysis.

We've also begun reviewing Alberta Soccer's revenue streams, investigating the impact of potential changes and discovering areas where the Association could boost income. We aim to align every program with the Member Districts' assessments of value. At the same time, we're working with Nova Scotia Soccer and Canada Soccer to review the member fee structure. We want to ensure that Canada Soccer's approach acknowledges the pressure the provincial associations face, including registration shifts and fluctuating revenue streams.

Administratively, Alberta Soccer will continue monitoring trends, with departments adjusting as needed. The new Strategic Plan was developed with a commitment of collaboration between Member Districts and we are thankful for the cooperation our members have shown.

Thank you all for your continued support. As a Board, we're committed to full engagement and transparency, listening to your advice, and putting best practices in place - for the **Good of the Game.**

**Shaun Hammond, Alberta Soccer President**

In the final year of the 2016-19 Strategic Plan, Alberta Soccer remained focused on the six priorities of its Strategic Plan:

### Strategic Plan Highlights in 2019

The inaugural Tier 1, 7 v 7 Indoor Provincial Championships took place at the Edmonton Soccer Dome and Victoria Soccer Club. With an overwhelming response from teams from across the Province to participate in the event, the competition provided entertainment for fans as well as an enjoyable experience for players. The boardless competition introduced by Alberta Soccer more closely resembles the outdoor game, and was appreciated by soccer purists throughout the province.

Alberta Soccer established an important partnership with Government agencies to support and promote the game of soccer among Indigenous Communities in Alberta. Alberta Soccer's presence at the Alberta Indigenous Games resulted in significant growth in the soccer competition. This also led to an ongoing partnership, with Alberta Soccer being invited to develop the teams representing Alberta at the North American Indigenous Games.

As noted previously, the Edmonton Minor Soccer Association hosted the U15 Canada Soccer National Championships with tremendous success. Teams representing Alberta at this and other National Championships had a banner year, with a record haul of five gold and two silver medals across eight National Championship Competitions.

## VISION

A centre of excellence for the game, providing opportunities for all players to reach their full potential.

## MISSION

To provide leadership for soccer excellence in Alberta by fostering and promoting a strong infrastructure for sound governance (administration and communication), and quality programs and services (competitions, referees, coaching, player development, and volunteers) to safeguard the sport's long-term prosperity.

As the Strategic Plan Cycle ended, Alberta Soccer embarked on a consultation process with stakeholders to assist the Strategic Planning Committee while developing a relevant Strategic Plan for 2019-2022. The committee formatted the strategic plan to align with Canada Soccer and the ever-changing landscape of Canadian Soccer as well as reflect the needs of the Alberta Soccer membership.

Looking ahead, as the Association enters the new Strategic Plan Cycle, Alberta Soccer will continue engaging with the membership to help grow the game in a positive manner. Collaboration is paramount and the new Strategic Plan is founded with this idea at its essence.

<b>Totals</b>	<b>99,119</b>	<b>11,468</b>	<b>3,565</b>

Alberta Soccer's 2018-19 Unique Player numbers consist of 2019 Outdoor Registrations plus New Players reported in the 2019-20 Indoor Season. A New Player is a registrant who registers for indoor, but did not register the previous outdoor season. Due to this, the Unique Player calculation is not finalised until the end of the indoor reporting period. As such, the numbers presented here are subject to change.

Please note that last year's report indicated a membership of 104,593 players. Following the publication of the report, an additional 1,533 players were reported. This means the final membership number for 2017-18 was **106,126 players**.

- Alberta Soccer releases new, three-year Strategic Plan

OCT

- EMSA hosts U15 Toyota National Championships
- Alberta Soccer and Canada Soccer host second Integration Camp
- SGM and Planning Meeting

With a focus on recruiting and retaining a network of high-quality referees across the province, Alberta Soccer continued to improve upon its referee education and development programming throughout 2019.

**3,565 Officials in Alberta** → **2.9% Increase over 2018**

In addition to increasing the number of officials in the province, Alberta Soccer worked toward improving the standards of officiating with the following programs:

#### Advanced Referee Camp

Alberta Soccer and the Calgary District Soccer Referees Association hosted an Advanced Referee Camp for 29 officials. The camp was led by FIFA Instructor - Michelle Pye, FIFA Referee - Dave Gantar, Kinesiologist - Dr Laurie Fisher, and National Instructors - Richard Sansregret and David O'Neill.

#### Create Your Advantage:

##### Female Referee Development Clinics

90 female officials participated in Spring and Fall clinics, which offered all-female outdoor and indoor refresher courses, as well as development sessions.

##### Female Entry Level Courses

44 referees graduated from two, all-female Entry Level courses, which were designed to encourage recruitment and retention of female officials. The influence of these

female-focused courses deserves particular attention: While the overall increase of officials in Alberta sits at just shy of 3% (averaged for male and female), the increase for female referees is an impressive 13.5%.

#### Certification and Education

In the lead up to both the indoor and outdoor seasons, 4,360 people participated in 214 referee courses. Nearly 1,700 of these individuals were new additions to the referee pool (up from 1,488 last year). A further 29 officials upgraded from the district to regional and regional to provincial level. This year also saw a record number of referees participate in a fitness test (with a 66% passing rate).

#### By the Numbers

**28%** of AB officials are female

**72%** of AB officials are male

#### NOTABLE ACHIEVEMENTS

- Michael Mund was appointed to Canada Soccer Senior Club Nationals
- Harsimrit Lakhyan, Shaelyn Holdaway, Carleen Beynon, Ashton Engler, Tina Olson, Tamra Barwegen, and Kaitlyn Stang were appointed to the CCAA Women's National Championship
- Dustin Friesen was appointed to the USport Men's National Championship
- Micheal Barwegen was appointed to the CONCACAF Gold Cup
- Drew Fischer was named a Video Assistant Referee at the FIFA Women's World Cup in France
- Micheal Barwegen (Assistant Referee) and Drew Fischer (Video Assistant Referee) were appointed to the U17 World Cup in Brazil
- Jordan Whittier and Jan Krol were appointed to the Western Canada Summer Games
- Michael Mund and Giancarlo Pavone were each appointed to several CPL games, acting as Assistant Referee and 4th Official
- Michael Mund was accepted to the Canada Soccer 'NextGen' Referee Program, which included an invitation to the National Camp in Florida with all current National and FIFA officials in Canada.

In 2019, the Alberta Soccer technical department underwent considerable changes, with Jim Loughlin departing the Association to join Canada Soccer early in the year. Claire Paterson and Matt Thomas took the helm of the coaching department, managing coach development in the province and working with Canada Soccer as it rolled out its new curriculum for the Children's License. Alberta Soccer also forged a new partnership with the Coaching Association of Canada, using its coach.ca portal to house all NCCP coach education records and manage workshop registrations.

### Licensing

As in previous years, Alberta Soccer delivered a single **B Licence** (Part 1), with **19 coaches** earning Trained Status (18 males, 1 female).

Following the success of 2018, Alberta Soccer once again offered more **C Licence** courses this year than it has historically. With the C Licence acting as the prerequisite for Canada Soccer's new Child and Youth Licences, this upward trend is expected to continue. This year's courses were held in St Albert, Calgary, Edmonton, Springbank, and Lethbridge, seeing **151 coaches** earn their Trained status (129 males, 22 females).

Alberta's first **Children's Licence** workshop took place in Calgary, with **27 coaches** attending. These coaches will have 18 months from the course date to complete coursework and earn their certification.

### Video Evaluations

As part of its goal of refining the coaching pathway to support the recruitment and retention of coaches, Alberta Soccer moved toward a video evaluation process for C & B Licensing. By removing barriers and creating a more supportive and flexible process, Alberta Soccer anticipates that moving forward, a greater number of coaches will transition from Trained to Certified status.

### Community Stream

In 2019, Alberta Soccer took the course content to the next level, going beyond the basics of coaching soccer and delving into the nuance of coaching players.

Alberta Soccer saw a further decline in the number of community courses hosted in 2019. Following 2018's 14% decrease, this year saw an additional 23% reduction in course delivery. Alberta Soccer will collaborate with districts on strategies to reverse this trend, as only 14 of the 23 member districts hosted one or more courses in 2019. Nearly half of the community stream courses were hosted by either CMSA or EMSA and it's important for the Association to address the disparity in course requests that occurs throughout the province.

The desire from coaches to participate in the revamped C Licence course, declining registration numbers, and course accessibility for coaches in remote locations has impacted community course participation. Educated and motivated coaches are paramount to successful playing environments, and Alberta Soccer will work to offset these factors moving forward.

### By the Numbers

In 2019, districts hosted 64 courses, with 800 attendees:

The Competitions Committee's goal in hosting Provincials remained the same: to promote soccer through national and international participation; provide safe, fair, competitive tournament experiences for as many members as possible; and to support the technical development of players to reach their full potential.

Ongoing consultation with members, feedback from participants and potential participants, and collaboration with Alberta Soccer referee and technical departments will continue to inform the structure, rules and logistics of the ever-evolving Provincial competitions.

## Provincials

### Youth

The annual Servus Youth Provincial Championships are a crucial stop on the LTPD pathway, offering a stage to showcase player talent and acting as the conduit to Canada Soccer Club National Championships. The Youth competitions featured:

Servus Credit Union continued as the Youth Provincial Championships title sponsor, demonstrating its commitment to supporting healthy communities in Alberta.

### Senior

Senior Provincials are a fun and competitive event, serving as a platform for players to vie for the top spots in Alberta and the right to compete at the Canada Soccer Club National Championships.

## Referees

Games officials provide the structure that make games and competition possible. The following Alberta Soccer events were supported by:

- Youth Indoor - 183 referees
- Senior Indoor - 46 referees
- Youth Outdoor - 372 referees
- Senior Outdoor - 84 referees

## Hosts

Provincials aren't possible without the dedication of event hosts and volunteers. Alberta Soccer appreciates the efforts and commitment of the following host districts:

- |         |                |
|---------|----------------|
| ◦ BRSA  | ◦ FMYSA        |
| ◦ CASA  | ◦ Lakeland     |
| ◦ CMSA  | ◦ Lethbridge   |
| ◦ CUSA  | ◦ Medicine Hat |
| ◦ CWSA  | ◦ Okotoks      |
| ◦ EDSA  | ◦ SPDSA        |
| ◦ EIYSA | ◦ St Albert    |
| ◦ EMSA  | ◦ Tri-County   |

## Nationals

### Youth

Alberta sent six teams to Canada Soccer's 2019 Toyota National Championships, with impressive results highlighting the quality of programming Alberta Soccer members offer:

- U15 | St. Albert Impact (Mansaray) | Gold
- U15 | Cgy Foothills FC15 | Silver
- U15 | Cgy Foothills WFC15 | Gold
- U15 | MW Selects (Pajo/Charpentier) | 6th
- U17 | Cgy Foothills FC17 | Gold
- U17 | Cgy Foothills WFC17 | 5th

Congratulations to EMSA for successfully hosting an outstanding U15 Cup at the Ivor Dent Facility in Edmonton.

### Senior

Alberta sent teams to each of Canada Soccer's Regional and National Championships:

- Challenge | Edm Scottish | 4th
- Jubilee | Edm Northwest United | Silver
- Men's Masters | Edm Scottish | Gold
- Women's Masters | Cgy Alliance | Gold
- Futsal | Cgy Villains Elite | 5th

## Tournament Sanctioning

All invitational tournaments conducted in Alberta must be sanctioned. Appropriate sanctioning is crucial for both tournament organisers and participants, as it provides a framework for standards of play, allows Alberta Soccer referees to officiate games and provides insurance coverage for participants.

**77** tournaments  
sanctioned in 2019

## Travel Permits

Anytime a team travels outside of Alberta to compete in a tournament or attend a training camp, they must complete a travel permit application. During the 2019 fiscal year, Alberta Soccer processed:

- 266 Canadian permits (204 in BC, 50 in SK, and 12 in ON) and,
- 100 International permits (including in the US, Mexico, Costa Rica, England, Italy, Spain, Iceland, Sweden, Northern Ireland, Denmark, France, Germany)

## Camp and Academy Sanctioning

Alberta Soccer continues to provide endorsements to camps and academies who submit applications. The endorsements are evaluated across 17 requirements and in 2019, Alberta Soccer **endorsed 13 camps/academies**. While the endorsements are not mandatory, an endorsement by Alberta Soccer helps parents and players ensure that the camp or academy they plan to attend provides a proper program and follows safe sport standards. Alberta Soccer will continue to evaluate the camp/academy endorsement requirements and application process to ensure that they continue to deliver value for the applicants and camp/academy participants.

## Discipline

**40** discipline cases handled  
and completed in 2019

In what has become the norm over the past 28 years, teams in the Alberta Major Soccer League (AMSL) showcased outstanding talent throughout the league's 2019 season.

This season brought with it substantial changes, especially on the men's side. The Canadian Premier League's U20 development squads (Alberta-based) were welcomed into the AMSL, leading to a slightly longer season and a greater number of games for the men's teams.

The increase in the number of youth trialists featured in competition was also of particular interest this year. In 2018, male teams called up 7 trialists. In 2019, that number jumped to 46. The women's call-ups increased from 62 to 80. Integrating high performing youth players with older, more experienced players will benefit the individual's growth from technical, tactical, physical, and social perspectives.

### Women's League Standings

Edmonton Victoria topped league play with 40 points. Edmonton Northwest United followed with 32 points, and Edmonton Scottish landed in the third place spot with 21 points.

### Men's League Standings

Edmonton Green & Gold found themselves in first place after regular season play, boasting 44 points. Edmonton Scottish and Calgary Dinosaurs followed, with 32 and 29 points respectively. The top three teams beat out the

CPL developmental teams, who trailed in 4th and 5th place.

### Women's Division - League Awards

#### Most Valuable Player

Erika Vecchio, Edmonton Northwest United

#### Coach of the Year

Dean Cordeiro, Edmonton Northwest United

#### Top Goal Scorer

Sunder West, Lethbridge FC

### Men's Division- League Awards

#### Most Valuable Player

Lahai Mansaray, Edmonton Green & Gold

#### Coach of the Year

Eddie Bardana, Calgary Dinosaurs

#### Top Goal Scorers

Matteo Valdes, Calgary Villains Elite FC

Derek Brust, Calgary Dinosaurs

### Challenges

Two teams challenged for a spot in the AMSL: Rangers Sportif FC (South Men's Div.) and Futbol United/Powerplay FC (North Women's Div.). Both participated in a Challenge Series to determine whether they'd enter the league in 2020; however, neither team was successful. The challenged teams, Edmonton Green & Gold Women and Calgary Villains Elite Men, retained their place in the league.

## 2019 AMSL MVPS ON WHAT KEEPS THEM IN THE GAME...

*"My passion for the game comes from a lot of places. Playing with and for some of my best friends keeps me coming back. In the last year, I have taken up some coaching opportunities that have reignited my passion for the game. Coaching U-11 girls has reminded me how much I love the game. Coming to practices and seeing how excited and willing they are to better themselves in every aspect has had a positive effect on me. I've found myself trying to better myself on the pitch and I owe that reborn passion to the girls that I coach."*

**- Erika Vecchio, Edmonton Northwest United**

*"I grew up in a household that loves soccer and I fell in love with the sport. It is the only activity I do where I forget about everything and just play. All my problems disappear and it's just me and the ball. My motive to continue playing soccer at this level is the understanding that not everyone receives the same opportunity that I have been given. I have to be grateful and make sure I snatch every opportunity and put it to good use."*

**- Lahai Mansaray, Edmonton Green & Gold**

## 24 AB players participated in National Programming

### Regional ID Event

In support of expanding its player identification reach, Alberta Soccer held the 3rd Annual Regional ID Camp. Battle River Soccer hosted the event in Leduc, bringing together nearly **200 players from 9 rural districts**. While the weekend focused on player identification, it also featured development opportunities for attendees, including parent and coach education seminars and player education presentations.

### Canada Soccer Integrations

As part of its Regional Excel Integration Strategy and in support of changes occurring in National programming, Canada Soccer staff (Tania Singfield, Daniel Worthington, Rhian Wilkinson, and Joey Lombardi) visited Alberta several times to develop local coaches and train and evaluate Alberta players.

### REX

The REX and Academy programs continued to serve as a crucial step along Canada's player pathway. Highlights from the season include:

- 92% of program graduates were offered a University scholarship
- 4 players and 2 coaches attended the NEX camp in Quebec
- 3 players attended the U17 WNT Training Camp in Mexico City
- All players received an individualised strength and conditioning plan
- A female coaching staff mentorship program was implemented

### Western Canada Summer Games (WCSG)

Team Alberta showcased its exceptional talent at the WCSG in Saskatchewan, with gold medal finishes on the boy's and girl's side. The top finish was particularly admirable for the girls, who competed as the youngest team in the competition.

### Provincial Training Program

The 2018-19 Provincial Training Program (PTP) boasted several successes:

- 63% of the coaching staff on the girls' squads were female
- ALL head coaches were Nt'l B certified
- 8 players were invited to the Vancouver Whitecaps FC Residency
- 50% of the Vancouver Whitecaps FC Residency U15 squads were from Alberta
- All matches were filmed for Canada Soccer scouting purposes
- Approx. 100 Players were evaluated at the Canada Soccer Integration Camps
- 5 players are tracking for the U15/U17 MNT
- 1 player was invited to the U17 MNT Training Camp
- 3 players were identified for the U17 WNT

### PTP Moving forward

With Canada Soccer's introduction of the National Youth Club license and the launch of the Alberta Youth Soccer League in 2020, Alberta Soccer put the PTP on hiatus. Instead of the regularly-scheduled winter training sessions typical of the Program, Alberta Soccer will now host player ID events throughout the year to showcase U14 players to professional clubs and Canada Soccer Excel staff.

### AB Players selected for Generation Adidas Cup

Nine Alberta players were selected from the Whitecaps Academy Center network to attend the U12 Boys Generation Adidas Cup in Atlanta, Georgia. Competing against other MLS Academy teams, the Alberta group made the final of their division, ultimately falling to Toronto FC in the final.

### Kyle Steetstra at Real Madrid

After attending a High-Performance Player Combine in Vancouver, Kyle Steenstra was one of four players from Canada selected to participate in a Whitecaps FC Academy trip to the Real Madrid training facility in Madrid, Spain. Steenstra, a Calgary Rangers player who began training full-time with the Whitecaps Southern Alberta Academy Centre in 2018, attributed the selection to his strengths: quick thinking on the field, an ability to execute on his decisions, and a strong work ethic.

The introduction of National Youth Club Licensing by Canada Soccer was an important milestone for the game in Alberta. National Youth Club Licensing is an objective evaluation tool which provides a review of amateur soccer clubs across 140+ requirements in 4 organizational categories: Governance, Administration, Infrastructure, and Technical/Sporting.

Initially, 19 Alberta organisations applied to Canada Soccer for the National Youth Club License. Following a preliminary review, 14 organisations were selected for additional review and analysis. Finally, in July 2019, after an in-depth application and review process, Canada Soccer announced the first group of successful applicants. Among the 39 successful clubs granted a provisional National Youth Club License across Canada, the following 7 were from Alberta:

Calgary Blizzard Soccer Club

Calgary Foothills Soccer Club

Calgary Rangers Soccer Club

Calgary Southwest United Soccer Association

Edmonton Scottish United Soccer Club

Sherwood Park District Soccer Association

St. Albert Soccer Association

To support the introduction of club licensing, Alberta Soccer and Canada Soccer conducted a series of information sessions throughout the year to educate districts, clubs, coaches, parents, and players about the licensing program and to reduce any existing misinformation and misconceptions.

Club Licensing will also introduce a league competition among the licensed clubs (for 2006-born players, this will begin in April 2020). Alberta Soccer and the licensed clubs conducted numerous meetings to define the operational details of this competition, including player intake and movement, game schedules, and an annual periodised program for players and clubs.

While Canada Soccer will administer National Youth Club Licensing, Alberta Soccer will manage the licensing program at levels below this in collaboration with member districts. Application requirements and processes for local licenses will roll out in 2020.

## GUIDING PRINCIPLES (FROM CANADA SOCCER)

Canada Soccer designed the Club Licensing Program to guide member organizations throughout the country toward best principles for organizational development both on and off the field.

*“Member organizations play an essential role in the development of players, coaches, and officials and provide both the daily playing environment and primary contact for participants. By raising the standards of member organizations, both the daily playing environment and participant experience are enhanced; thereby improving the overall soccer system in Canada”.*

The Canada Soccer Club Licensing Program Principles are as follows:

1. Prioritize Fun
2. Emphasize Physical, Mental, and Emotional Safety
3. Provide Developmentally-Appropriate, High Quality Programs
4. Maximize Attraction, Holistic Personal Development, Progression, and Long-Term Engagement
5. Focus on Participant-Centred Decision Making
6. Foster Accessible, Inclusive, and Welcome Environments
7. Act as a Good Corporate and Community Citizen

Soccer development begins at the grassroots level, meaning Alberta Soccer's Grassroots department was tasked with the important role of supporting the province's many communities and clubs as they adapted to the broad changes that took place nationally in 2019.

As in past years, Alberta Soccer worked to educate clubs and communities on the FIFA and Canada Soccer endorsed Preferred Training Model and the LTPD. This year also saw a renewed focus on engaging parents and coaches. Positive parent and coach experiences make it possible for players to progress along the pathway that they've laid out for themselves.

### District Outreach

The District Outreach program provided resources to ensure technical leads could implement meaningful grassroots programs in their communities. Over the past year, all but three member districts engaged the outreach program. The program impacted:

**2,332 Youth Players** & **774 Grassroots Coaches**

### FUNDamentals FESTIVALS

FUNDamentals Festivals train coaches and communities within the the Preferred Training Model. The program supports communities as they transition to a station-rotation format of program delivery. With the continued support of Servus Credit Union, Alberta Soccer successfully ran eight Festivals across the province, with each of the Festival hosts

receiving up to \$2,000 in grant funds to use in support of their programming.

**82 Coaches Trained**

**583 Players Supported**

### MINI STARS

The "Introduction to Excellence" program once again welcomed players at the Learning to Train stage of the LTPD to Fall and Winter training, and to another memorable Residential Camp.

Although the program has served players well over the past seven years, the 2019-20 season will be its last. With the changing landscape of soccer in Alberta and Canada, Alberta Soccer has decided to close the program and support other avenues of grassroots development.

### INDIGENOUS SOCCER

In 2019, Alberta Soccer partnered with local Indigenous communities to expand soccer's reach and to provide pathways for both grassroots and high-performance Indigenous players, coaches, and referees in the province.

In August, Alberta Soccer forged a new partnership with the Alberta Indigenous Games, a multi-sport event held annually for Indigenous youth in Alberta. This support led to a significant increase in soccer participation at the event, with 3x the number of players involved in 2019 than in previous years. Alberta Soccer also began the identification and training process for the four teams that will compete at the 2020 North American Indigenous Games in Halifax.

## INSPIRE GENERATIONS: PLAY, COACH, LEAD

In 2019, the mandate of the Development of Women in Soccer Committee remained to promote, support and increase the numbers of female soccer participants in leadership roles and as players, coaches, and referees. With the support of the eight committee members and through the programs below, Alberta Soccer saw gains toward this mission in 2019.

### Women in Sport Leadership Impact Project

The second year of the Alberta Women in Sport Leadership Impact Project (WISLIP) saw the continuation of its two core programs:

1. Create Your Advantage
2. Coach Developer Initiative

**Create Your Advantage** maintained its support of female officials throughout the province, offering practical training and encouraging environments for female referees to develop, including the all-female refresher courses before each season. Alberta Soccer also introduced all-female entry-level courses:

**90** participants attended refreshers & **44** participants certified at entry levels

The **Coach Developer Initiative** remained focused on its objectives of building confidence and capacity among the female participants, particularly in their roles as evaluators, learning facilitators, mentors, and leaders. Highlights for the nine participants included participation in leadership trainings, facilitation of coaching courses and a conference session, monthly mentorship calls, and, for one coach, the completion of her C Licence evaluation.

These programs, and the WISLIP as a whole, was made possible thanks to the support of the Women and Gender Equality Ministry, Alberta Sport Connection, and the Coaching Association of Canada.

### Women in Sport Conference

In April, the Alberta Soccer Development of Women in Soccer Committee (DWSC) welcomed 60 female coaches, referees, administrators, leaders, facilitators and committee members to the 5th annual Women in Sport Conference. This event marked the first year the conference featured speakers and guests from multiple sports, including hockey, basketball, swimming, and more.

The conference, renamed to recognise the coordinated effort between Alberta Soccer and Hockey Alberta, offered keynote speeches, customised workshops, training sessions, and panel discussions on a variety of topics. The weekend provided a platform for participants to connect and network with other female leaders in sport, gain practical tools and skills to implement in their personal and professional environments, and be inspired by those who shared their unique personal stories.

**Twitter:**

5,147 followers | 1.7 million impressions

**Instagram:**

2,230 followers

**Facebook:**

The results of the Strategic Plan survey issued in Spring 2019 revealed that Facebook is the most widely used social media platform among the Association's members. As such, Alberta Soccer launched a new Facebook page in mid-2019, with 358 followers at the end of the Fiscal Year.

**Websites:**

- 1,147,707 unique pageviews (483K at main site; 664K at competitions site)
- 101 news articles posted on albertasoccer.com
- 65% of Alberta Soccer website visitors access the sites from a mobile device. This 9% increase over 2018 reiterates the importance of developing content for mobile consumption.

Each year, Alberta Soccer gives out awards to those who show outstanding achievement or a dedication to soccer. The passion and dedication these players, coaches, referees, administrators, volunteers, and leaders demonstrate each day inspires and motivates those in their communities and beyond. The following people/groups were recognised at the 2019 Awards Banquet for their contributions to the game in 2018.

### President's Award

After two consecutive years of financial loss, Alberta Soccer ended the 2018-19 fiscal year with a profit of \$69,500. This result was achieved with a strong commitment to managing program expenses throughout the year, despite membership revenues decreasing for the fifth consecutive year. Based on our current financial position, members can be confident that Alberta Soccer has the resources to manage any future financial challenges, such as changes to key government funding and the slow recovery of Alberta's provincial economy.

### 2018-19 Audit Findings

As independent auditors, Givens LLP presented an unqualified audit opinion related to Alberta Soccer's financial statements. A copy of the 2018-19 audited Financial Statements can be found in Appendix A.

### Financial Stability & Performance

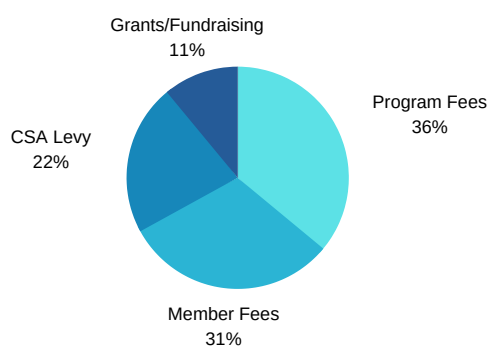

Alberta Soccer's Cash-on-Hand and Quick Ratio indicate a strong ability to meet any short-term financial demands while the Operating Reserve sits well above the minimum benchmark of 25%.

	Profit (Loss)	Net Assets	Operating Reserve	Quick Ratio	Cash
<b>2018-2019</b>	<b>\$69,498</b>	<b>\$1,843,327</b>	<b>42%</b>	<b>5.8 to 1</b>	<b>152 Days</b>
<b>Benchmark</b>			<b>25%</b>	<b>1.0+ to 1</b>	<b>90+ Days</b>

Alberta Soccer's internal financial standards require that \$1,000,000 or 25% of budgeted expenses is kept as a "rainy day" fund to ensure the long-term financial health of the Association.

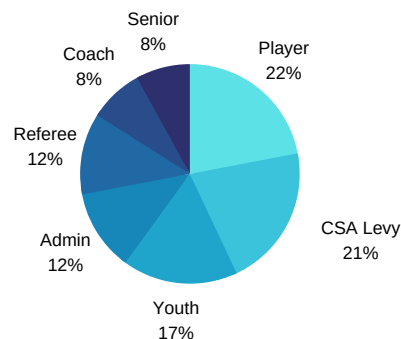

### Revenue Summary

Total revenues remained stable with a negligible increase of \$11,000 from 2017-18. Stable community and corporate partnerships, plus a 20% increase in provincial merchandise profits, helped offset the (3%) decrease in membership revenues.

### Expense Summary

Total expenses saw a (6%) decrease from 2017-18. Alberta Soccer met its commitment to maximised on-field product spending by allocating 67% of total spending to program-related activity. The board and staff's strong commitment to reduce off-field expenses (such as travel, management wages, and member meeting costs) contributed to lower administrative spending, which saw a 2% reduction from 2017-18.

### Off-field Products, Development, Support

In addition to regular programming, Alberta Soccer allocated resources to supporting special initiatives and partnerships, including the Indigenous Games, Advanced Referee Camp, U15 Canada Soccer Club Nationals, Western Canada Summer Games, Regional ID Event, Women in Sport Leadership, and more.

## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Alberta Soccer Association

### *Opinion*

We have audited the financial statements of Alberta Soccer Association (the Association), which comprise the statement of financial position as at October 31, 2019, and the statements of operations, changes in net assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at October 31, 2019, and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Other Matter*

The financial statements of Alberta Soccer Association for the year ended October 31, 2018 were audited by another auditor who expressed an unmodified opinion on those financial statements on January 23, 2019.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting

(continues)

process.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

Year Ended October 31, 2019

---

### PURPOSE OF THE ASSOCIATION

Alberta Soccer Association (the "Association") is a not-for-profit organization incorporated provincially under the Societies Act of Alberta. As a not-for-profit organization the Association is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

The Association operates to provide the administrative and technical development framework for all soccer programs in the province of Alberta.

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

The financial statements of the Association have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations using the deferral method for reporting restricted contributions. Canadian accounting standards for not-for-profit organizations are part of Canadian generally accepted accounting principles. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below.

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

# ALBERTA SOCCER ASSOCIATION

## Notes to Financial Statements

Year Ended October 31, 2019

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

#### Financial instruments policy

The Association initially measures its financial assets and liabilities at fair value when acquired or issued, except for certain non-arm's length transactions.

The Association subsequently measures all its financial assets and financial liabilities at amortized cost and are tested for impairment at each reporting date. Investments in equity instruments that are quoted in an active market are measured at fair value. Changes in fair value are recognized in net earnings.

Financial assets measured at amortized cost include cash, term deposits and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued charges.

#### Transaction costs

Transaction costs related to financial instruments that will be subsequently measured at fair value are recognized in net income in the period incurred. Transaction costs related to financial instruments subsequently measured at cost or amortized cost are included in the original cost of the financial asset or liability and recognized in net income over the life of the instrument using the straight-line method.

#### Impairment

For financial assets measured at cost or amortized cost, the Association determines whether there are indications of possible impairment. When there is an indication of impairment, and the Association determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in net earnings. If the indicators of impairment have decreased or no longer exist, the previously recognized impairment loss shall be reversed to the extent of the improvement. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net earnings.

#### Cash and cash equivalents

The Association's policy is to disclose bank balances under cash and cash equivalents, including bank overdrafts with balances that fluctuate frequently from being positive to overdrawn and term deposits with a maturity period of three months or less from the date of acquisition. Term deposits that the association cannot use for current transactions because they are pledged as security are also excluded from cash and cash equivalents.

#### Government grants

Government grants are recorded when there is a reasonable assurance that the Association had complied with and will continue to comply with, all the necessary conditions to obtain the grants.

*(continues)*

---

# ALBERTA SOCCER ASSOCIATION

## Notes to Financial Statements

Year Ended October 31, 2019

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

#### Capital assets

Capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a declining balance basis at the following rates:

Audio visual equipment	20%
Computer equipment	30%
Leasehold improvements	term of the lease
Office equipment	20%

The Association regularly reviews its capital assets to eliminate obsolete items. Government grants are treated as a reduction of capital assets cost.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

Contributions for the acquisition of capital assets are recorded as unamortized capital contributions and recognized to net earnings on the same basis as the amortization of the assets for which the contributions were received.

#### Inventory

Inventory held for distribution at no charge or for a nominal charge is valued at the lower of cost and net replacement value. The amount of inventories expensed is \$148,420 in the current year (2018 - \$133,429).

#### Donated services

The work of the Association is dependant on the voluntary service of many individuals. The Association may receive material for distribution to member organizations. Since these services are not normally purchased by the organization and because of the difficulty of determining their fair value, donated services are not recognized in these financial statements.

#### Allocation of expenditures

Expenditures which benefit more than one program of the Association are allocated among those programs based on time spent by the employees.

#### Net assets

- a) Net assets invested in capital assets represents the organization's net investment in property and equipment which is comprised of the unamortized amount of property and equipment purchased with restricted funds.
- b) Internally restricted net assets are funds which have been designated for a specific purpose by the organization's Board of Directors. Transfers between unrestricted and internally restricted net assets are approved by the board.
- c) Unrestricted net assets comprise the excess of revenue over expenses accumulated by the organization each year, not of transfers, and are available for general purposes.

# ALBERTA SOCCER ASSOCIATION

## Notes to Financial Statements

Year Ended October 31, 2019

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

#### Revenue recognition

Alberta Soccer Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received. Endowment contributions are recognized as direct increases in net assets.

#### (a) Sports operations revenues:

Revenues from sports operations during the year are recognized when service is provided and the amounts can be estimated and collection is reasonably assured;

#### (b) Grant revenues:

Unrestricted grants are recognized as revenue when it is received or receivable if the amounts can be estimated and collection is reasonably assured. Externally restricted grants are recorded as deferred contributions and recognized as revenue in the year the related expenses are incurred;

#### (c) Fundraising activities:

Revenue from sale of inventory are included when the product is delivered and collection is reasonably assured. Proceeds from gaming projects are included in revenue as expenditures are incurred for the objectives specified by the license;

#### (d) Interest income:

Interest income is unrestricted and recognized as revenue in the year it is earned.

---

### 2. EXTERNALLY RESTRICTED CASH

The Association's cash balances include amounts subject to externally imposed restrictions. Externally restricted cash is maintained in segregated bank accounts. Cash is maintained in segregated accounts as follows:

	2019	2018
Casino account	\$ 2,927	\$ -

Disciplinary bonds	11,361	17,550
	<u>\$ 28,361</u>	<u>\$ 34,550</u>

Major league team performance bonds are repaid when the team's time in the league has ended. Disciplinary bonds are paid by teams or players for breach of conduct and are usually held until the teams or players have satisfied the terms of their suspension.

# ALBERTA SOCCER ASSOCIATION

## Notes to Financial Statements

Year Ended October 31, 2019

---

### 10. CONTINGENT LIABILITY

The Association has been notified that a "Statement of Claim" has been filed by a current soccer player, which names Alberta Soccer as one of the defendants in a potential lawsuit. Total damages claimed is \$1,200,000 and the Association believes contingent losses cannot be reasonably estimated and the occurrence of the future event is not determinable. Currently, the Alberta Soccer Insurers are conducting a preliminary investigation of the incident as Alberta Soccer has not officially been served a "Statement of Claim". In the opinion of management, the resolution of the claim against the Association will not result in a material effect on the financial position. No amounts have been accrued in these financial statements.

---

### 11. LEASE COMMITMENTS

The Association leases premises under a long term lease that is set to expire February 2020. The lease requires payment of operating costs in addition to minimum rents.

The Association also has an office equipment lease and a software licence and service agreement which are set to expire September 2020 and March 2021, respectively.

Future minimum payments are detailed hereunder:

2020	\$ 35,242
2021	<u>1,956</u>
	<u>\$ 37,198</u>

---

### 12. INTERNALLY RESTRICTED

	<u>2019</u>	<u>2018</u>
Canadian Soccer Association Levy Reserve	<u>\$ 81,000</u>	<u>\$ 81,000</u>

---

**13. FINANCIAL INSTRUMENTS**

The Association is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Association's risk exposure and concentration as of October 31, 2019.

***(a) Credit risk***

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Association is exposed to credit risk from members. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Association has a significant number of members which minimizes concentration of credit risk.

As at October 31, 2019, the Association had \$47,790 (2018 - \$30,143) in trade receivables that were over 90 days due.

***(b) Interest rate risk***

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Association manages exposure through its normal operating and financing activities. The Association is exposed to interest rate risk through fluctuations of the interest rates on its term deposits.

***(c) Liquidity risk***

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association manages this risk by continually monitoring cash flows and maintaining sufficient reserves to fulfill its obligations.

There are no significant changes in the risk profile of the financial instruments of the Association from that of the prior year.

---

## APPENDIX B

## 2019 Indoor Provincials Youth Honour Roll

### U13 Boys Boardless

Host: Edmonton (EMSA/EIYSA)
