## STRUCTURE OF SOCCER IN ALBERTA

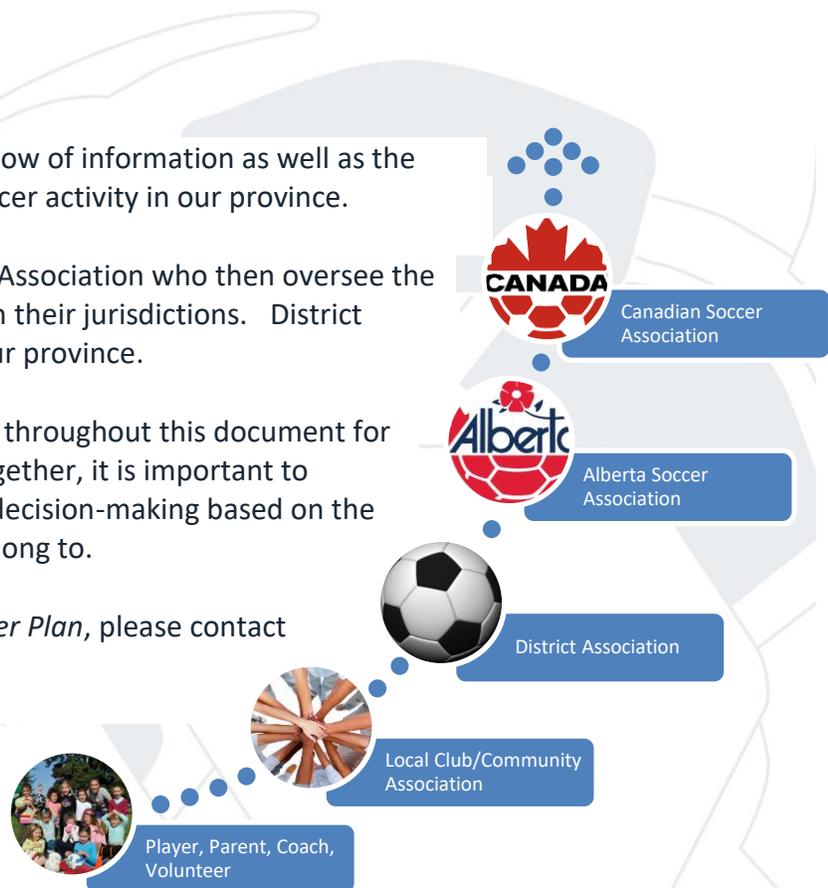

The Structure of Soccer in Alberta determines the flow of information as well as the authority for decision-making for all sanctioned soccer activity in our province.

Alberta Soccer governs the activities of our District Association who then oversee the activities of all Local Club/Community Association in their jurisdictions. District Association internal structures are unique across our province.

In as much as we have attempted to provide clarity throughout this document for how a soccer team in Alberta may begin to train together, it is important to consider the flow of information and authority for decision-making based on the internal structure of the District Association you belong to.

If you have any questions about this *Return to Soccer Plan*, please contact your local District.

If you are a District, please contact Shaun Lowther, Executive Director of Alberta Soccer, [slowther@albertasoccer.com](mailto:slowther@albertasoccer.com)

## RESPONSIBLE RETURN TO SOCCER

Like you, Alberta Soccer is excited to return to soccer activity and the game we love. However, each of us must begin our return to play thoughtfully. While Alberta is opening back up and restrictions are easing, it does not mean that we can become complacent. **The soccer community has the responsibility to protect ourselves and our participants from Covid-19 by promoting the practice of good hygiene, physical distancing and monitoring for symptoms throughout our programming and activities.**

## INTRODUCTION

The *Alberta Soccer Return to Soccer Plan* is a group of documents developed in alignment with Alberta Health guidelines to support the safe return of soccer activities as permitted through the Stages of Alberta's Relaunch Strategy. This document is meant to assist Alberta Soccer members in understanding their role and responsibilities in providing a reasonable standard of care while facilitating soccer programming to their registrants, coaches, volunteers and staff. This *Phase 2 – Return to Modified Games*, is the second document in our Plan, and as of June 19, 2020 will supersede the Phase 1 requirements.

## TIMELINES FOR RETURN TO SOCCER

The timelines related to the 3-Phases for *Return to Soccer* are subject to all **Conditions for Return to Soccer** being met and that they continue to remain in place. Alberta Soccer's phases to *Return to Play* are subject to and aligned with [Alberta's Relaunch Strategy](#).

## ALBERTA SOCCER PHASE 2 – PERMITTED SOCCER ACTIVITIES

Alberta Soccer is pleased to advance to “Phase 2 - Return to Modified Games” of the Alberta Return to Soccer Plan. While the Association has developed this plan to assist soccer organizations in Alberta it must be noted that Alberta Districts and Clubs have all been working diligently to develop protocols and procedures to assist players to get back on the field. In this phase soccer organizations will be given the opportunity to train and play soccer games with the ability for organizations to allow physical contact within a “cohort” sporting group. Off the pitch players and officials will still be required to maintain physical distancing. This interim stage until we can play the “beautiful game” against multiple opponents will be a welcome relief to all participants as it will allow that competitive edge of sport to be experienced once again.

Although everyone is eager to get back to normal Organizations must be aware of what activities are permitted or prohibited during Stage 2 – Return to Modified Games.

## Stage 2 – Return to Modified Games

PERMITTED ACTIVITIES	PROHIBITED ACTIVITIES
<b>Within the confines of Sport Cohort Guidelines</b>	
Training, Scrimmages, and/or Games	Participation in more than one sport cohort
Mini-Leagues	Tournaments
Exhibition Games	Team travel outside of sport cohort area
Goalkeeper Training	Games/Scrimmages outside of cohort
No age restrictions player programs	Use of “COVID -19 non-trained” Referees

## RESPONDING TO CHANGING CONDITIONS

Due to the nature of the Covid-19 pandemic, we must be prepared to respond to changing conditions provincially, regionally and within our individual organizations. **If health situations change, we may be required to return to a previous phase of Return to Soccer or cease soccer activity all together.** As Alberta Health Services monitors the provincial progression through Alberta’s Relaunch Strategy, we expect that they will continue to advise sport organizations on how they can lead their sport through the stages of relaunch. Alberta Soccer will provide the applicable health and safety guidelines that must be implemented in order to safely move from one phase of the Return to Soccer plan to the next.

**IF** public health restrictions should be reinstated and soccer activity is NO LONGER permissible OR we must return to a previous phase, Alberta Soccer will communicate this change directly with District Associations. District Associations will distribute this messaging to their impacted Club/Community Associations, players, parents, coaches, and volunteers. Changes will also be posted on the Alberta Soccer website and social media accounts. Immediate compliance is required.

## OVERVIEW

Alberta Soccer will lift the suspension of on-field soccer activity by individual club/community/team, through the local district as the conditions for *Return to Soccer* are met. ## OPERATIONAL GUIDELINES FOR RETURN TO SOCCER

Alberta Soccer, in consultation with Canada Soccer and Alberta Health Services, continues to monitor the most recent developments surrounding the Coronavirus (COVID-19) pandemic.
