Changes to the 2020 Outdoor Rule & Regulation on Membership Fees

The Alberta Soccer Board of Directors passed a motion during their May 30, 2020 meeting to amend the *Rule and Regulation on Membership Fees 2019-2020* for the 2020 Outdoor season. These changes were made to assist member organizations with their cash flow due to the expected decrease in member registrations and overall decrease in revenues attributed to the Covid-19 pandemic.

As the *Rule & Regulation on Membership Fees 2019-2020* was based on traditional league structures, we have provided the following definitions to assist members in identifying 'who' is considered a registered player, subject to reporting and fee requirements.

Outdoor Player Registration – Any player who registers for a fee with an Alberta Soccer member club, community, and/or district for an outdoor 2020 program or event.

Outdoor Program – Any paid club, community, and/or district player program or event that is offered after their indoor 2020 season and before their regular 2020-21 season. This includes both paid online and in-person programming.

Essentially, any player who accessed for a fee, an Alberta Soccer sanctioned activity subject to Alberta Soccer insurance coverage, whether in person or online, between the organization's end of the 2020 indoor season and the regular start of their 2020-21 indoor season is considered a 2020 outdoor registered player.

Summary of Fee Changes

Youth Fees	No fees based on tiers; a flattened fee based on price groupings Price Groups: U5 / U7 to U13 / U15 to U19
Senior Fees	Introduced Team Fee for team-based activities Provided individual drop-in / guest player rate to allow for access to single events

2020 Outdoor Membership Report Timelines

Districts are expected to report their 2020 outdoor registered players as per the central registration reporting requirements in a single report. This report is to be submitted no later than September 15, 2020.
