- Go to [www.refcentre.com](http://www.refcentre.com) and log in to your Ref Centre account.

  - Youth referees (14 & 14 years old) – pay \$25 for 2021.

After registering, you will need to complete the following steps to be placed on the eligible list for 2021.

1. Sign and submit the COVID waiver, included in the registration steps in Refcentre.
2. Due to the number of Law changes in 2020, ALL returning referees will need to complete the 2021 Outdoor refresher modules, which have the same content as the 2020 modules. This replaces the outdoor questionnaire for 2021.
3. Attend an online outdoor refresher session. These will be hosted on Zoom in a virtual room led by Alberta Soccer instructors and will be available in your Refcentre account beginning on March 16<sup>th</sup>.
4. Complete an online COVID requirements review. This will NOT be available until we know exact details from the Alberta Government about whatever COVID restrictions will apply for the outdoor season. This will be available in your Refcentre account and you will be notified when it is ready to complete.
