Online Course Modules

Your first task in becoming a referee is to complete the 7 self-guided learning modules. Each module is based on one or more of the 17 Laws of the Game. You will need to complete each module in order, starting with module 1 - Laws 1 & 2.

Before you start each module, spend some time studying the Law in the [IFAB Laws of the Game book](#).

Once you have read the law you are ready to start the module.

Each module will begin with a short video. You can watch the video as many times as you wish.

Once you have finished the video, you will need to take the multiple choice test for that module.

To pass the module, you will need to score at least 80% on the test. If you score less than 80% you will need to take that test again. You can only proceed to the next module once you have passed the test.

You should expect to spend between 7-10 hours completing the 7 modules, however you don't need to do them all at the same time. If you take a break you can return to where you left off.

You will need to complete all 7 modules before attending the webinar or class session.

There are 7 online modules

Each module has a video followed by some multiple choice questions

The students must score 80% to proceed to the next module

If the student fails the module it must be repeated

The screenshot shows a web browser window with the following elements:

- Browser Tabs:** "E2E Ref Centre - Course Management" and "Test Cards".
- Search Bar:** "Search with DuckDuckGo or enter address".
- Navigation:** "Home", "Introduction", and "Modules" (selected).
- Section Header:** "MODULES" in a red banner.
- Text:** "Once you have completed and passed this module, please go to the [next module](#)".
- Section Header:** "Test: Entry Level Course Module 1".
- Text:** "The first online learning module for your course covers 2 laws".
- List:** "Law 1 - The field of play", "Law 2 - The ball".
- Text:** "Please have [law book](#) available to help you with this module".
- Text:** "Please watch this video below. After you have watched the video please proceed to the multiple choice questions. Before you can proceed to the next module you must obtain 80% on the questions".
- Video Player:** A video titled "LAW 1 THE FIELD" with a "CANADA" logo in the top right corner. The video shows a wide-angle view of a green soccer field under a cloudy sky.
- Caption:** "Module 1 from David O'Neill on Vimeo." with a "Start" button below it.

MODULES
