I. TERMINOLOGY

“Anonymous” means unknown authorship, and without designation that might lead to information about the authorship. Anonymity is not compromised by assignment of a code or other designation with which a person can communicate without revealing his or her identity.

“Confidential” means authorized for access by only those persons who have a need to know. Ordinarily, a need to know arises from an obligation to investigate or to take remedial or disciplinary action.

“Submission of Concern” means any information provided to the External Service Provider, whether in the form of a concern, a demand for remedial action, or a report of actual or suspected Wrongdoing.

“Wrongdoing” means unethical, illegal, or fraudulent conduct.

II. PURPOSE

The purpose of this Policy is to encourage and enable individuals to safely report allegations of actual or potential Wrongdoing without fear of reprisal.

The Board of Directors (the Board) of the Association is responsible for ensuring that a confidential and anonymous process exists whereby persons can express any concerns or complaints about Wrongdoing.

III. APPLICATION OF THIS POLICY

This Policy is intended to supplement the Association’s Code of Conduct and Ethics¹ and Disciplinary Code² covering conflicts of interest, gifts and hospitality, other conduct violations such as bullying and harassment, and any applicable provincial and federal laws governing whistleblowing actions.

This Policy applies to all categories of membership defined in the Association’s Bylaws and to Officials, players and individuals employed or engaged by the Association. The Policy also applies to the Directors of the Member Associations, Professional Club Members, League Members, or any other individuals who perform duties on behalf of these Members when the Members are engaged in soccer-related activities, whether on or off field, sanctioned by the Association.

This Policy applies to any matter which is related to the Association’s business or when any conduct is likely to seriously damage the integrity, image or reputation of the Association.

A. EXTERNAL SERVICE PROVIDER

The General Secretary will appoint an individual or group to act as the External Service Provider per this Policy. Submissions of concern are reported to the External Service Provider.

B. METHODS FOR FILING A SUBMISSION OF CONCERN

All submissions of concern shall be treated as confidential, whether received anonymously or otherwise. The procedures for submission of concern, and any changes thereto, shall be made available internally and published on the Association’s website.

All submissions of concern should be supported with as much factual detail as possible, including dates, names and places. Appendix 1 includes a form to prepare a submission of concern.

OPTIONS:

- [A]** An independent and external service provider, available in both English and French languages, can be reached toll free through the Whistleblower Hotline at 1-800-661-9675 24 hours a day and seven days a week; or
- [B]** The External Service Provider can be reached through at OmbudsOffice@sportlaw.ca. or
- [C]** By sending physical documents to: “CONFIDENTIAL, Attention: Canada Soccer Whistleblower to Sport Law & Strategy Group, 53 Evanston Drive, Toronto, Ontario, M3H 5P4”.

All submissions should include contact information in the event an investigation takes place and additional information is necessary.

C. PROCESS FOR ADDRESSING SUBMISSIONS OF CONCERN

A person submitting a submission of concern shall be provided the opportunity to remain anonymous, save and except in those circumstances where the nature of the disclosure and/or the resultant investigation make it necessary to disclose identity (e.g., legal investigations). In such cases, all reasonable steps shall be taken to protect the person reporting from harm as a result of having made a disclosure. The identity of the person submitting a report shall remain confidential unless the person and the Ethics Committee agree otherwise. The infographic in Appendix 2 reflects the process that is initiated once a submission of concern is received.

V. SAFEGUARDS / NON-DISCRIMINATION

V-1: NO RETALIATION

A person is protected against retaliation as a result of having made, in good faith, a report which the person believes to be valid or as a result of such person having otherwise assisted in the investigation of the report. Retaliation against a person who raises a concern, in good faith, will not be tolerated and is considered a violation of the Code of Conduct and Ethics and Disciplinary Code.

Any effort to retaliate against any person filing a submission of concern in good faith must be reported immediately to the Chair of the Ethics Committee ethics@canadasoccer.com. If an individual believes that someone who has made a report of a violation or someone who has cooperated in the investigation of a violation is suffering from harassment, retaliation or other adverse employment conditions, the individual should file a complaint under the Code.

V-2: UNTRUE / FALSE ALLEGATIONS

If an individual makes an allegation in good faith and the allegation is not confirmed by subsequent investigation, no action will be taken against that individual. However, if the investigation reveals that an individual has made deliberately false or malicious or vexatious allegations, such instances will be viewed as serious offences which may result in disciplinary action.

VI. RETENTION OF RECORDS FOR SUBMISSIONS OF CONCERN

Records pertaining to a submission of concern are the property of Canada Soccer and shall be retained:
